## **Greater Cambridge Local Plan – The First Proposals**

### **Comments on Section/Policy**

**by Imperial War Museum (IWM) and Gonville and Caius College (Caius)**

13 December 2021

### **Biodiversity and green spaces - general comments**

IWM and Caius are supportive of the biodiversity and green space objectives of the GCLP, including the approach to biodiversity net gain to ensure habitats for wildlife are enhanced. By looking comprehensively and collectively at the IWM and Caius estates at Duxford, the parties consider that there are greater opportunities to increase biodiversity net gain across the estates.
