Jobs – general comments

IWM and Caius agree with the Plan's aim to" *encourage a flourishing and mixed economy in Greater Cambridge which includes a wide range of jobs, while maintaining our area's global reputation for innovation*".

However, IWM and Caius are concerned that the resulting draft policies do not provide clear and supportive policies promoting the needs of the high technology clusters that Cambridge is famous for as required by the NPPF at Paras 81 and 83.
