Good morning Adam,

The current trustees / owners of the land are myself, my sister Elizabeth Berry and my cousin Jonathan Parker. I attach the Trustees Deeds that show this. We are in the process of getting the ownership on the Land Registry Title updated.

I can confirm t the land is available for development and we support the submission in to the call for sites.

If you need to receive a separate email from Liz and Jon I have copied them in to this email.

Best wishes,

Adrian
