Dear Sir/Madam
Our apologies for missing this bit out ...

Field with road frontage on Broadway before number 37, Bourn

The site can be available for development immediately as it is freehold land, owned and farmed by ourselves (there are no legal charges or tenancy agreements on the land). If the area was chosen for development we would be able and happy to release the land from its current arable usage without delay.

Hope this answers the question, but do not hesitate to contact one of us if more information is needed.

Kind Regards

Subject: Call for Sites Submission - Field with road frontage on Broadway before number 37, Bourn

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for: **Field with road frontage on Broadway before number 37, Bourn.**

Accordingly, please now supply the following information and return it to us, within the next 10 working days.

An estimation of when the site could become available for development, **stating your reasons for this.** (No reasons for site availability have been mentioned)

Many thanks for your patience.

Kind regards
