Aviva Investors: **Public**

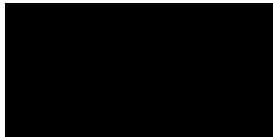

Hi both,

See below. Hopefully sufficient for what you need:

To whom it may concern

I can confirm that part of the Kett House and 10 Station Road site is within the ownership of Essex County Council Pension Fund. The landlord has been consulted as part of the Issues and Options 2020 consultation process and fully supports the proposal for the Site to be put forward for consideration in the emerging Greater Cambridge Local Plan.

Yours sincerely
Giles York
