

Answer our 10 big questions

1. What do you think about our vision for North East Cambridge?

Comment: 13 storeys is way too high. How are you going to ensure that there is "no additional vehicle movement" on Millon Road?

2. Are we creating the right walking and cycling connections to the surrounding areas?

Comment: If only 0.5 parking spaces per new home, ~~where will~~ seems completely unrealistic. Where will the (inevitably) additional cars go?

3. Are the new 'centres' in the right place and do they include the right mix of activity?

Comment

4. Do we have the right balance between new jobs and new homes?

Comment

5. Are we are planning for the right community facilities?

Comment: Medical facilities (GPs), dental, pharmacies? will there be enough?

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

Comment

7. Are we planning for the right mix of public open spaces?

Comment

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

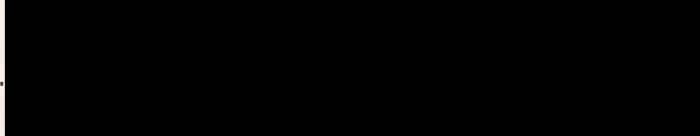

Comment

9. Are we doing enough to discourage car travel into this area?

Comment *What will you do to make Cambridge North Station attractive to users? At the moment trains are unreliable, parking expensive and complicated, lack of facilities at the station, insufficient trains.*

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?
