Subject: Draft North East Cambridge Area Action Plan: four weeks left to comment!

Dear consultee,

This is a reminder that our consultation on the draft North East Cambridge Area Action Plan will close in four weeks. **Please submit your feedback and comments before 5pm on Monday 5 October 2020** – responses received after this date will be considered as late representations.

You can read the draft Area Action Plan and respond online via our website, www.greatercambridgeplanning.org/nec. If you find it difficult to comment online, you can also respond in other ways – visit our website for details or respond to this email if you require paper response forms.

We have been holding a series of public webinars about the Plan, where you can ask questions live to the team. We have three more left, so please join us:

- 9th September, 6pm – Design and density
- 15th September, 12.30pm – Walking, cycling and reducing car use
- 21 September, 6.30pm – General webinar about the Area Action Plan

The webinar links are on our [Talk to the team](#) page, and all the previous webinars have been recorded and can be viewed online. We also have answers and videos about [Frequently Asked Questions](#) online.

Please help us reach as many people as possible with the consultation, and remind your networks and community members to submit their comments on time. You can spread the word on your social media using #NorthEastCambridge, and feel free to forward this email to your mailing lists.

The Greater Cambridge Shared Planning Service is the planning service for Cambridge City Council and South Cambridgeshire District Council. This is a consultation under Regulation 18 of The Town and Country Planning (Local Planning) (England) Regulations 2012.
