Subject: Call for Sites Submission - Land south west of Lower Cambourne

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for **land south west of Lower Cambourne**.

Accordingly, please now supply the following information and return it to us, at your earliest convenience:

- Evidence of landowner support for the submission, in the form of a signed letter from the landowner.
- Details of the current and most recent use of the site – *specifically* please clarify if the site is previously developed land, greenfield or a mixture. **Greenfield**
- Details of proposed future uses – please provide more elaboration on the description of the proposed development. **Residential and Commercial (Including retail)**

Kind regards
