**Subject:** Long Lane, Fowlmere - Call for Sites

Dear All,

I will write under separate cover with regards to the Call for Sites draft representations on the High Street land in Fowlmere.

We understand that the land directly to the south of your land edged red on the attached plan is being promoted by another party and therefore, your parcel of land could potentially make a natural extension northwards. In order to capture this, we have prepared the attached Call for Sites form so that the Council can be made aware that you would be interested in bringing the site forward.

In order to make the submission on your behalf, the Council requires an acknowledgement email from the landowners to confirm that you are happy for this to be submitted. I would therefore be grateful if you could please respond to this email confirming you authorise Bidwells to submit the attached form on your behalf.

Kind regards

Hannah
