Please describe any benefits to the local area that the development could provide:	A range of housing to meet the short and medium needs of the local community
Please provide and explain your estimate of the potential number of residential units of all types and / or potential employment floor space in square meters that can be accommodated:	Between 20 and 40 dwellings could be provided on the site. The actual number would be a residual of the size and mix of households to be accommodated for and the density of development considered appropriate.
