Dear [REDACTED]
Land at Bassingbourn

We understand that as part of the Call for Sites consultation currently being held by South Cambridgeshire District Council you require our acknowledgement that representations are being made on the above land within our ownership.

We are aware of the representations being made by Endurance Estates on our behalf in respect of the following sites:

- Land north of Brook Road;
- Land east of Church Close and north of Elbourn Way; and
- Land south of The Causeway

We support the submission of the representations and the allocation of the land for residential development.

Yours sincerely

—
