Hi,

Following my previous email, please see evidence below of landowner support for our call for sites submission at land north of Pampisford Road, Great Abington.

Due to the current situation this has had to be a photo of a signed letter.

If you could please confirm this is received and acceptable it will be appreciated. I note we have met the requirement of 10 working days to provide this.

Kind regards,

Henry

Hi,

Thanks for your email. I can confirm we do have support of the landowner, I am currently just waiting to receive a signed letter confirming this. I will hopefully have this soon and I will email this across when available.

I do note your timescales below, is there an issue if this does come through 10 working days after your email below? It has been a bit challenging getting letters to landowners to sign and then return given the times we are in.

Kind regards,

Henry
