Dear Sir,

I can confirm that as the owner of land at Branch Road and Long Road, Comberton I would like the development of the site to be considered through the South Cambridgeshire District Council and Cambridge City Council call for sites process 2019. The land is in an agricultural use and there is no legal impediment or physical constraints to the site coming forward for development.

I can also confirm that I have received significant amounts of interest in the land from developers who recognise the acute need for housing in South Cambridgeshire and the popularity of Comberton in particular.

Kind Regards
