Subject: RE: Call for Sites Submission - Land South of Church Street, East of High Street, Guilden Morden

Dear Planning Policy Team,

I have reviewed the forms that I submitted, and although all the necessary information is included in the submission, there has been some confusion on our end when filling in the different sections in the SHELAA forms.

In response to your questions below I would note the following:

- Landowner information, detailing first and last names, organisation (if applicable), address and telephone number of each of the landowners
This information was provided in Section A of the form - EW Pepper Ltd.
- Has the landowner been informed of this submission?
Yes - This form was submitted on the instruction of the landowner.
- Does the landowner support the submission?
Yes - This form was submitted on the instruction of the landowner.
- Evidence of landowner support for the submission, in the form of, for example, a signed letter from the landowner.
This form was submitted on the instruction of the landowner and inherent in this is their support for the submission. However, a supporting letter can be provided if deemed necessary to demonstrate this point.
- Are there any issues that would prevent officers of the Council undertaking a site visit unaccompanied?
Should the Council wish to undertake an unaccompanied site visit, please get in contact with myself, the Planning Agent, using the details supplied in Section A.
- Contact information (to include name, organisation (if applicable), address, telephone number and email address), of the person to be contacted, to arrange access to the site or an accompanied site visit.
As per the above, all correspondence to be C/O Agent using the details supplied in Section A.

Thank you for the opportunity to clarify this information, and should you have any further questions or require any further information please do not hesitate to get in contact.

Kind Regards,

Suzi

Subject: Call for Sites Submission - Land South of Church Street, East of High Street, Guilden Morden

Dear Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for **land at South of Church Street, East of High Street, Guilden Morden.**

Accordingly, please now supply the following information and return it to us, at your earliest convenience:

- Landowner information, detailing first and last names, organisation (if applicable), address and telephone number of each of the landowners
- Has the landowner been informed of this submission?
- Does the landowner support the submission?
- Evidence of landowner support for the submission, in the form of, for example, a signed letter from the landowner.
- Are there any issues that would prevent officers of the Council undertaking a site visit unaccompanied?
- Contact information (to include name, organisation (if applicable), address, telephone number and email address), of the person to be contacted, to arrange access to the site or an accompanied site visit.

Many thanks for your patience.

Kind regards
