Good morning,

Many thanks for your swift response to our requests for additional information in relation to the above call for sites submission.

Whilst we have noted these clarifications, could we please additionally request that we receive a signed letter, to demonstrate evidence of landowner support for the submission, within the next ten working days?

Additionally, as with another of the sites you have submitted to us, it appears that some of the future use tables have been left blank – could we please request that the blank boxes from the original submission (below) are filled in, to avoid any doubt, confusion or miscommunication over the future use of the site, within the next ten working days?

Dear Planning Policy Team,

I have reviewed the forms that I submitted, and although all the necessary information is included in the submission, there has been some confusion on our end when filling in the different sections in the SHELAA forms.

In response to your questions below I would note the following:

- Landowner information, detailing first and last names, organisation (if applicable), address and telephone number of each of the landowners  
*This information was provided in Section A of the form - EW Pepper Ltd.*
- Has the landowner been informed of this submission?  
*Yes - This form was submitted on the instruction of the landowner.*
- Does the landowner support the submission?  
*Yes - This form was submitted on the instruction of the landowner.*
- Evidence of landowner support for the submission, in the form of, for example, a signed letter from the landowner.  
*This form was submitted on the instruction of the landowner and inherent in this is their support for the submission. However, a supporting letter can be provided if deemed necessary to demonstrate this point.*
- Are there any issues that would prevent officers of the Council undertaking a site visit unaccompanied?  
*Should the Council wish to undertake an unaccompanied site visit, please get in contact with myself, the Planning Agent, using the details supplied in Section A.*
- Contact information (to include name, organisation (if applicable), address, telephone number and email address), of the person to be contacted, to arrange access to the site or an accompanied site visit.  
*As per the above, all correspondence to be C/O Agent using the details supplied in Section A.*

Thank you for the opportunity to clarify this information, and should you have any further questions or require any further information please do not hesitate to get in contact.

Kind Regards,
