Many thanks for your email

I can confirm that the land owned by [REDACTED], [REDACTED] and [REDACTED] is adopted Highway land. Please see attached the signed s106 agreement which confirms that South Cambs and the County Council solicitors have reviewed the landownership confirming this in the red line area and are signatories to this agreement. I therefore don't believe a separate letter is required in this instance.

Kind regards

Emma

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for **land to the east of the A1301, south of the A505 near Hixton and west of the A1301, north of the A505 near Whittlesford, CB10 1RG.**

Accordingly, please now supply the following information and return it to us, **within the next ten working days:**

- Evidence of landowner support for the submission from all landowners, in the form of, for example, a signed letter from the landowner. We have received a signed letter of support from [REDACTED]. However, we still require signed letters confirming awareness of, and support for the call for sites submission made from the remaining three landowners; [REDACTED], [REDACTED] and [REDACTED].

Many thanks for your patience.

Kind regards
