Dear Ben,

Thank you for the email dated 25th of January.

[REDACTED] will answer all your correspondence with [REDACTED] I sitting here as well.

In the 1990th we started to store some caravans and gradually it got bigger.

About 10 to 15 years ago your planning colleague helped us to get planning permission for caravan Storage. Years before we had been paying Business Rates for the caravan storage.
Our Farm House has an agriculture covenant on it.

Whittlesford land belongs to F C Butler Trust and there are 3 Trustees for that Land.

[REDACTED].
The owners of Maarnford Farm in Duxford are, 2 acres on the West side belongs to [REDACTED]
The 2 acres on the North Side belongs to [REDACTED]
Please could you promote the whole 4 acres.

I have no scanner here. I will ask my brother if he can scan it for me and we will send it to you from his computer.

Kind Regards

Afternoon [REDACTED],

Further to our discussion this morning, we can confirm that we can submit the site representations this week. The Council requires a brief confirmation from the promoter that they support the promotion. Could you send me a very brief email confirming that you have engaged Cheffins to promote the sites and that you support the promotions. I suggest the following wording:

“We can confirm that we have engaged Cheffins to promote sites within our ownership at Maarnford Farm, Duxford and Station Road West, Whittlesford. As landowners, we fully endorse these representations”.

Once we receive this confirmation, we can get the representations off to the Council.

Many thanks,

Ben.
