**Categories:** On JDi - Attachements to Add, Call for Site

Please see attached Call for Sites form and associated papers – Please note this form is additional to the 2019 Call for Sites submission to include a Concept Masterplan with a refined site area plus any relevant updates to the previous submission with regard to start dates etc to link in with the A428 Black Cat to Caxton Gibbet Road Dualling Scheme.

It is also seeking to change the planning agent contact details from Carter Jonas to Roebuck Land and Planning Ltd and this should be used for all future GCLP correspondence on this site.
