Dear Sir/Madam

On behalf of the Babraham Research Campus I am submitting an application under Question 2 of the Greater Cambridge Local Plan Issues and Options 2020 (*"submit sites for employment and housing for allocation in the Local Plan"*). The application documentation sets out our case for further expansion and designation of the Babraham Research Campus as an Established Employment Area within the 2023 Local Plan, enabling the removal of key areas of the Babraham Campus from Green Belt (plan drawing attached). Unfortunately we were not in a position to submit this within the 2019 Call for Sites, hence our application in the 2020 Issues and Options process.

We look forward to hearing from  
Kind Regards

[REDACTED]
