Call for Sites Submission – Land to the east of Linton

Dear Guy

I understand that the Greater Cambridge Planning Service has asked for the College to confirm that it supports the submission of its land holdings to the Call for Sites consultation earlier this year. I can confirm, as landowner, that the College is the land promoter and supports the submission of the proposals to the east of Linton [REDACTED].

I would be grateful if this could be conveyed to the Council.

Kind regards

Andrew Cates
Bursar
