Dear Sir/Madam

While we do not currently have an estimate of the number of residential units the site could accommodate, we would anticipate a ribbon-style development and therefore would anticipate that the development could be completed within 1-2 years.

Kind regards

Sian

Subject: Call for Sites Submission - Land off Back Road, Linton (North)

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the SHELAA response form sent to us in relation to your submission for **land off Back Road, Linton (North)**.

Accordingly, please now supply the following information and return it to us, **within the next ten working days**:

- The likely year that the development will be completed – the SHELAA response form states 'TBC', could we possibly request a more specific date?
- The subsequent development period in years – again, the SHELAA response form states 'TBC'; could we possibly request a more specific estimation of years?

Many thanks in advance for your assistance.

Kind regards,
