Dear Sir/ Madam

Please be advised that both [REDACTED] (whose details are on the HELAA form) have passed away and [REDACTED] (who signed the letter) have been passed the land but the Land Registry title has not been updated.

Kind regards

Sian

Subject: Call for Sites Submission - Land south of Back Road, Linton

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for **land south of Back Road, Linton**.

Accordingly, please now supply the following information and return it to us, **within the next ten working days**:

- Evidence of landowner support for the submission from [REDACTED] in the form of, for example, a signed letter. Whilst we have confirmation from [REDACTED] and [REDACTED] for this site, we require a signed form of evidence of support for the submission from all three landowners.

Many thanks for your patience.

Kind regards
