Andrew

Just been going through emails and realised I had not formally responded to the SCDC email of 13 September and the 10 working day limit they put on it has now expired.

Regardless of this we confirm our support as landowner of the old highways depot, twenty pence road Cottenham for the call for sites submission made previously.

If you need further clarification, please do not hesitate to contact me.

Regards

Ren Pesci

**Importance:** High

Ren

We've today received the below form South Cambs in response to the application made in March this year on your behalf (further copy attached FYI)

Grateful if you can email me a signed letter and/or email that we can submit in response please.

Many thanks.
