Hi [REDACTED]
I haven't had a chance to share this with my fellow trustees but - given that the call for sites deadline is looming - we will follow your recommendation. Please go ahead.
Best regards

We have slightly extended the developable area because with an allocation there is an opportunity to do so. This would potentially increase the capacity a little. Are you happy with this? We can step it back so that it ties in with the pre-app submission if you prefer.

Kind regards

Hi [REDACTED]

Is this the sort of plan you had in mind? I have described the three zones line with our pre-app proposal

I'm around this afternoon if you need any adjustments

Kind regards,

Hi [REDACTED]

Further to our conversation yesterday, I attach a copy of the draft reps. If you can send through a zoning plan that shows the resi, open space and allotment areas and a site location plan I can finalise the submission.

[REDACTED] - our thinking is that we may look to increase the resi development area a little for the purposes of the reps and be a bit more ambitious (within reason) on the site capacity. Are you happy with this approach? The alternative is to mirror the pre-app submission, but my view is that we could be a bit more ambitious.

Kind regards
