Please find attached confirmation from Trinity College that they support the submission of the following sites to the Call for Sites:

- Land to the west of the M11, north of Madingley Road and Cambridge Road, and south of the A428, including land to the north of the A428, Madingley
- Land cornering the M11 and Madingley Road, Cambridge
- Land to the south of West Road, Gamlingay
- Land to the west of Mill Street, Gamlingay

In relation to 'Land to the west of the M11, north of Madingley Road and Cambridge Road, and south of the A428, including land to the north of the A428, Madingley', which is known as 'the Madingley Estate', the College would welcome the opportunity to discuss the future development potential of the site with officers. We consider that the site represents a significant strategic opportunity, which benefits from close proximity to Cambridge and existing and planned for transport infrastructure. As such, we wish to begin a dialogue with the Council to better understand how and when the site could come forward to help meet future needs of Greater Cambridge and deliver benefits to the wider area.

Subject: Call for Sites Submission - Land cornering M11 and Madingley Road, Cambridge

Dear Sir/Madam,

Thank you for your submission in response to the Call for Sites request we issued earlier this year.

After a period of unavoidable delay, we are now registering, checking and validating each of these sites.

As soon as this process is complete, each validated site will be uploaded onto both the Cambridge City Council and South Cambridgeshire District Council websites, for your reference.

There are, however, some items missing from the HELAA response form sent to us in relation to your submission for **Land cornering M11 and Madingley Road, Cambridge**.

Accordingly, please now supply the following information and return it to us, **within the next ten working days**:

- Evidence of landowner support for the submission from Trinity College in the form of, for example, a signed letter.

Many thanks for your patience.

Kind regards

Planning Policy Strategy and Economy Team
