This plan is provided by Anglian Water pursuant to its obligations under the Water Industry Act 1989 sections 105 or 106. It must be used in conjunction with any search results attached. The information on this plan is based on data currently recorded but position must be regarded as approximate. Service pipes, private sewers and drains are generally not shown. Users of this map are strongly advised to commission their own survey of the area shown on this plan before carrying out any works. The need for all operations MUST be established by pot holes, the facility whatsoever, including the failure to accurately represent the location of any sewer, man, drainage pipe, sewer or disposal main at any time of operation. This map is not to be used for the purpose of planning or other legal proceedings. This map is produced by Anglian Water Services Limited (© Crown copyright and the Ordnance Survey 100022432). This map is to be used for the purpose of viewing the location of Anglian Water plant only. Any other uses of the map data or further copies is not permitted. This notice is not intended to exclude or restrict liability for death or personal injury resulting from negligence.
