Subject: RE: consultation response greater cambridge local plan re site submission Heydon End ref. no.47352
Date: 13 December 2021 16:58:22

Dear Maxine,

I did have slight addition to my submission, under facilities and services I mentioned some local employment opportunities but neglected to mention the fact that Orchard Farm, the Bayer Crop Sciences farm is next door to my property, within 50m. If you could add that I would appreciate it.

Michael Carroll

Dear Michael

Thank you for sending through your response to the Local Plan. We can confirm that we have received this.

Kind regards.

Maxine

PLEASE SEE ATTACHED SUBMISSION

Note that the on-line submission system was not working properly and we had to send this email, which on telephoning Greater Cambridge and speaking to Maxine, we were assured would be an acceptable form of submission,

This submission is a consultation response to the local plan consultation with deadline 13 December 2021. It provides additional information regarding a site that we put forward as landowner to the Call for Sites. The submission makes the case for reconsidering the site, Heydon End reference no. 47352, for approval for further consideration in the local plan.

It briefly sets out the policy context, then provides information on two parish surveys carried out by Heydon Parish Council which show local support for the Heydon End site, and types of development favourable to Heydon End. I also provide further information and corrections to the HELAA assessment of this site, with important information and corrections relating to many of the issues, including corrections to the Availability of Services issue which is the only one which was classed as "red". There is also a mistake in the assessment in terms of constraints because the assessment did not use the definitive rights of way map to check the line of a footpath which actually does not cross the Heydon End site.

I would appreciate an acknowledgement of this email when received to show submission before the deadline of 13 December 2021.

regards

Michael Carroll
